## **Bike – Royal Enfield 2010+ Classic 500**

**The correct rack for these bikes is a 'L1' rack**

This kit is designed for Royal Enfield Classic 500 models without a dual seat. It can hold both the rack and panniers.

### **Included in the fitting kits :-**

Main fitting kit

Part Number	Quantity	Description
P157	1	Long support arm - Left hand side - Royal Enfield
P158	1	Long support arm - Right hand side - Royal Enfield
FA1042Q	2	Bolt, standard head, M8 x 45 (1-3/4"), stainless
FA1530Q	6	Nyloc nut, M8, stainless
FA1029Q	6	Washer, half penny, M8, stainless
P413	2	Carrier arm, Z bracket
FA1476Q	4	Set bolt, M8 x 20, stainless steel

### **Main kit :-**

Firstly remove the pillion footrests and attached the long support arms to these, they are handed. Next remove the indicator assembly and then attach the rack to the long support arms. Tighten up the nuts and the rack will be held in place. Affix the Z bracket (Fig 2) to the rear bolt hole in the seat grab rail and attach to the rack, depending upon setup this can be to the middle rack support or to the lower rail where the long support arm is attached to. See Fig 1 (however P421 is no longer required)

**Fitting luggage** - see 'General Fitting instructions' sheet. Contact us if yours is missing
